Dear Ms. Eckart:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 09-875 and proposed by the Indiana Family and Social Services Administration ("FSSA"). The proposed rule adds 440 IAC 11 to implement rules concerning assertive community treatment teams, including establishing definitions, establishing certification standards and procedures, and establishing operational standards and requirements.

The FSSA indicates that the proposed rule does not impact any entities that meet the definition of a small business. Consequently, the FSSA analysis states that zero small businesses will be affected by the proposed rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or [rasberry@iedc.in.gov](mailto:rasberry@iedc.in.gov).
